Lesson for the course “Human-Computer Interaction”

# Axure RP (Part 2)

Prof. Luca Turchet

UNIVERSITY OF TRENTO - Italy

# Outline of the laboratory

- Download the PDF of this lesson
- We follow the excellent tutorial available on the Axure RP website
- You do alone the examples listed at the links indicated in the PDF of this lesson
- I give you the pace: you have a certain number of minutes to complete each example
- If you have any problem just ask me, but everything should be very clear and intuitive in the tutorial pages, where there is a step-by-step guide
- No pause will be made today, but you can have it whenever you feel like

# Tutorial
